Mr. Sandré Swanson, Candidate
Senate District 9
c/o Capitol Alliance
925 L Street, Suite 1402
Sacramento, CA 95814

Dear Mr. Swanson:

On behalf of the California School Employees Association (CSEA), AFL-CIO, it is my pleasure to inform you that your candidacy for election to the California State Senate has been endorsed by this statewide organization.

CSEA's endorsement of your candidacy is based upon your support for public education and labor issues of importance to classified employees. Once elected, we will continue to work with you to find practical, equitable solutions to issues of mutual concern.

As you know, CSEA represents over 218,000 classified employees in California's public school and community college systems. Our dedicated members serve public education as instructional aides, peace officers, secretaries, groundskeepers, food service, transportation and maintenance personnel as well as in other important classifications. As equal partners in California's vast public education system, the contributions of classified employees are immeasurable.

Our Board of Directors and Political Action for Classified Employees (PACE) Committee join me in sending you the best wishes of CSEA for success in your campaign.

Sincerely,

Dave Low
Executive Director
