

SANDRÉ SWANSON

DEMOCRAT FOR STATE SENATE

Barbara Lee

Congresswoman, U.S. House of Representatives

"I am very impressed with Sandré's leadership and efforts as a California Assemblymember. He helped rescue the victims of human trafficking in our state. He prioritized educational support for our youth. He has been a supporter of pre-school and more financial support for childcare and job assistance for our youth. I am proud to give Sandré Swanson **my endorsement and active support** for his campaign for the California State Senate."

Loni Hancock

California State Senate, District 9

"I endorse Sandré Swanson in his effort to run for the 9th Senate District in 2016.

I can't think of a better person to succeed me in the Senate."

Tony Thurmond

California Assembly, District 15

"Sandré Swanson's record of standing up and fighting for our children, seniors, and working families is second to none — **a proven leader and a champion** for ensuring that everyone has access to a quality education, a fair wage, and the opportunity to succeed. He has been a long-time mentor who has helped *me* be a stronger advocate for those who need an effective and caring government. I enthusiastically endorse Sandré Swanson."

Rob Bonta

California Assembly, District 18

"Sandré has been one of the most effective, principled, and visionary leaders in the East Bay... He is someone that has **stood up and did the right thing** for our community, time and time again, showing a track record of being a true leader. I'm honored to endorse him."

Kevin de León

President, California State Senate

"Sandré has spent a lifetime fighting for justice, equality, and opportunities for working people. In the Assembly, **I saw his commitment and passion firsthand.** He led landmark legislation against human trafficking, fought against budgets balanced on the backs of the poor and elderly, and helped close the growing gulf between the rich and the poor. I'm proud to offer Sandré my support."

Fiona Ma

Chair, CA State Board of Equalization

"Assemblymember Sandré Swanson helped bring people together, built consensus, and passed budgets that put our state on the path to economic recovery. He is a man of conviction, who sticks to his principles and doesn't back down from a tough decision or vote. **East Bay families, small businesses, children, and seniors can count on him.**"

A RECORD OF LEADERSHIP

OUR COMMUNITY has a rich history of progressive politics and electing great community leaders that put the interest of the public first. As an Assemblymember, **Sandr  Swanson is the only candidate in this State Senate race to support us 100% of the time on these important issues:**

Schools and Classroom Funding for Our Children

Sandr  Swanson was the only State Senate candidate in this race to oppose taking money out of our classrooms for "other budget priorities" during budget debates. Swanson fought legislative efforts to raid school funds by ending Proposition 98 Guarantees. That's why California's teachers endorse him.

Affordable Housing Opportunities in Our Cities

Sandr  Swanson is the only candidate in this race for Senate to support keeping California's Redevelopment Agencies for affordable, low cost and senior housing. We need this important funding to deal with our housing affordability crisis.

Accessible Health Care for Children and Families

Sandr  Swanson stood alone in supporting California's Healthy Families program serving the health needs of 740,000 poor children. He was the only Senate candidate in this race to support this effective health care program for poor children. That's why California's nurses endorse Sandr  Swanson for Senate.

Retirement Security and Pension Protections

Sandr  Swanson was the only candidate in this race who fought to protect your pensions and supported the collective bargaining rights for California's workers.
