Dear Sandre':

On behalf of the 250,000 plus Teamsters in California, and the 110,000 in Northern California in Joint Council #7, I am happy to inform you of our unqualified endorsement of you for the 9th District Senate seat.

Your record over the 30 years of public service throughout the East Bay has always been one of concern for the working people of the area, and your voting record has always reflected your understanding of their needs and desires. Your loyalty and ability to stand up to the powers that be in order to keep your word to us solidifies our support and loyalty to you. I can only hope that all of my brothers and sisters in all of the various Unions in the District look at your record and follow in endorsing you.

We will work with you to make sure that your campaign is successful, and so that we can have a champion for worker's causes in the Capital again.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rome A. Aloise".
